Zodiac EziSalt Saltwater Chlorinator

Key Product Features & Benefits

- The Ezi Salt Saltwater Chlorinator will **convert ordinary saltwater into 100% safe usable chlorine**, to effectively sanitise your pool.
- The **user friendly menu with built in clocks and timers** means all you need to do is plug it in, set it up and add salt.
- The **reverse polarity electrode** cuts down dramatically on maintenance.
- **Warning and indicator lights** will alert you of any problems.
- **Battery backup and built in surge protection** for peace of mind.
- **Incremental chlorine output** level selection.
- **Boost and Low modes** for easy output control.
- With the additional light box you can **control and program your pool lights**.
